They would greatly benefit from having you out there. It's a very good idea if you don't mind possibly changing your vaca

What do you think of maybe me helping? I am supposed to go on vaca next week, but not going away and could change plans. I would love your thoughts, as I respect your perspective. Andre is also very willing to help and we have some other seasoned folks who could help too.

Hi folks – Please see the note below from Paula regarding incident response and the need for more press officers – at least in the short run.

Regions 6, 8, and 9 already have folks there and are stretched pretty thin. Hoping that some other regions may be able to help out!

Thanks-

Kelly

Could use at least 2-3 additional. I can reach out to other regions too but wanted to put it out to you all first. Could you let me know ASAP?
